

The Online Exam Instruction for COVID-19 Patients

0.

You should use papers and a pencil to answer the final exam questions.

Please, prepare 10 A4 papers to write down your answers to the final exam questions before the final exam date.

1.

If you get COVID-19 positive, you should send a photo of your COVID-19 test kit to the professor ASAP through e-mail (moonzoo.kim@gmail.com) .

The professor will send you final exam questions through e-mail right before the final exam.

2.

To take the online final exam, you have to completely clean up your desk (see the picture below) and connect to the following Zoom session (the Zoom session will be recorded) by using both your PC webcam and your smartphone camera:

- <https://kaist.zoom.us/j/5258253316>

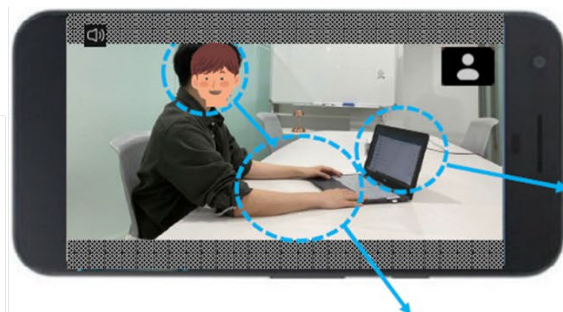

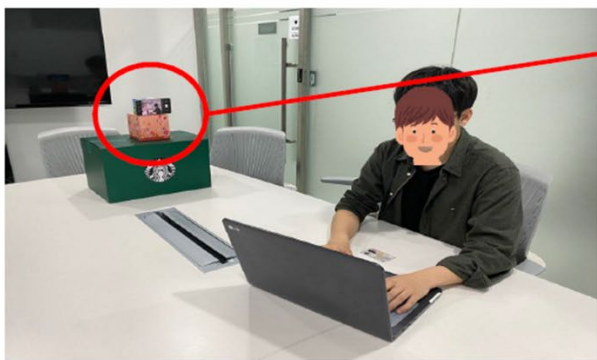

a) PC webcam: to show your face

b) Smartphone camera: to show

- your desk

- PC screen

- your face (ears and eyes) and both hands

PC screen

A clean desk, a face (ears and eyes), and both hands should be shown

Pictures excerpted from the online exam instructions of Inha Univ.

3.

a) At the end of the final exam, you should take photos of your answers and send them to the professor through email.

b) After 1 week, you should submit your official PCR result and your original hand-written answers on papers to the TA (you can contact TA via email)
